

ECTOR COUNTY 4-H MONDAY MEMO!!

MARCH 8, 2021

COVID-19 Guidelines:

- AgriLife Extension has amended their programming guidelines for face-to-face programs to account for local guidance.
- In Ector/Midland Counties Extension programming may occur face to face once a Program Preparedness Plan has been submitted and approved.
- This process takes 14 days, so we will not be doing anything off the cuff!!
- Guidelines for all 4-H meetings and other educational programs will necessitate limited numbers, wearing your mask, keeping an appropriate physical distance, sanitizing surfaces after each meeting, not sharing equipment and/or supplies and other COVID practices.

THE OFFICE IS STILL OPEN and FOLLOWING COVID GUIDELINES.

The Veterinary Science project is underway, if interested contact Mr. Kennedy via email
Thomas_w_kennedy@yahoo.com

A safety meeting will be held on March 14, at 2p.m. at PBAA Range. Contact Mr. Davila by calling 432.967.5002

Anyone interested in the Fashion & Interior Design project can also contact the Extension office
